BKMC Strategic Importance

The hospital was made operational in the year 2010 as a civil hospital and has grown enormously during the last 13 years into a **425 Bedded Tertiary care hospital** providing healthcare facilities to the people of Swabi and surrounding areas.

Khyber Pakhtunkhwa government declared it as a **Medical Teaching Institute (MTI) in April 2021.**

Departments and Facilities

Medical & Allied

Infectious Disease
Medicine
Neurology
Anesthesia
Cardiology
Dermatology
Nephrology
Psychiatry
Pediatric
Gastroenterology
Pulmonology
Medical ICU

Surgical & Allied

General Surgery
Pediatric Surgery
E.N.T
Gynecology
Urology
Neuro Surgery
Orthopedic
Maxillofacial
Ophthalmology
Plastic Surgery
Surgical ICU

Ancillary Dep't:

Pathology
Radiology
Rehabilitation/Physiotherapy
Accident & Emergency
Services (A&E)

Services

Laundry
CSSD
Dialysis
Porter Service
Security
Janitorial

Facilities
Virology Lab
Microbiology Lab
IBP Doctors
TB Center
AIDS Family Care
Sehat Card

New Services & Facilities Established, 2022/23

- **New ER**
 - Established for catering to the increased patient load and for provision of better and centralized services
- **Fair Price Pharmacy**
 - Established for providing quality medication at a convenient location and fair price to patients visiting the hospital
- **Infectious Diseases Unit / Isolation Block**
 - Isolation block with international standard of care for catering to patients with contagious & infectious diseases
- **Plastic Surgery**
 - Plastic surgery specialist providing both OPD and surgical services to public
- **Microbiology Lab at New ER**
 - The microbiology lab establishment has greatly improved the diagnostic facilities at the hospital
- **IBP & Surgical Ward**
 - IBP ward established for provision of services for private patients. Surgical ward established for pre and post operative care.
- **Day Care Center**
 - To empower female workers and facilitate them in achieving work-life balance, a day care center has been established.

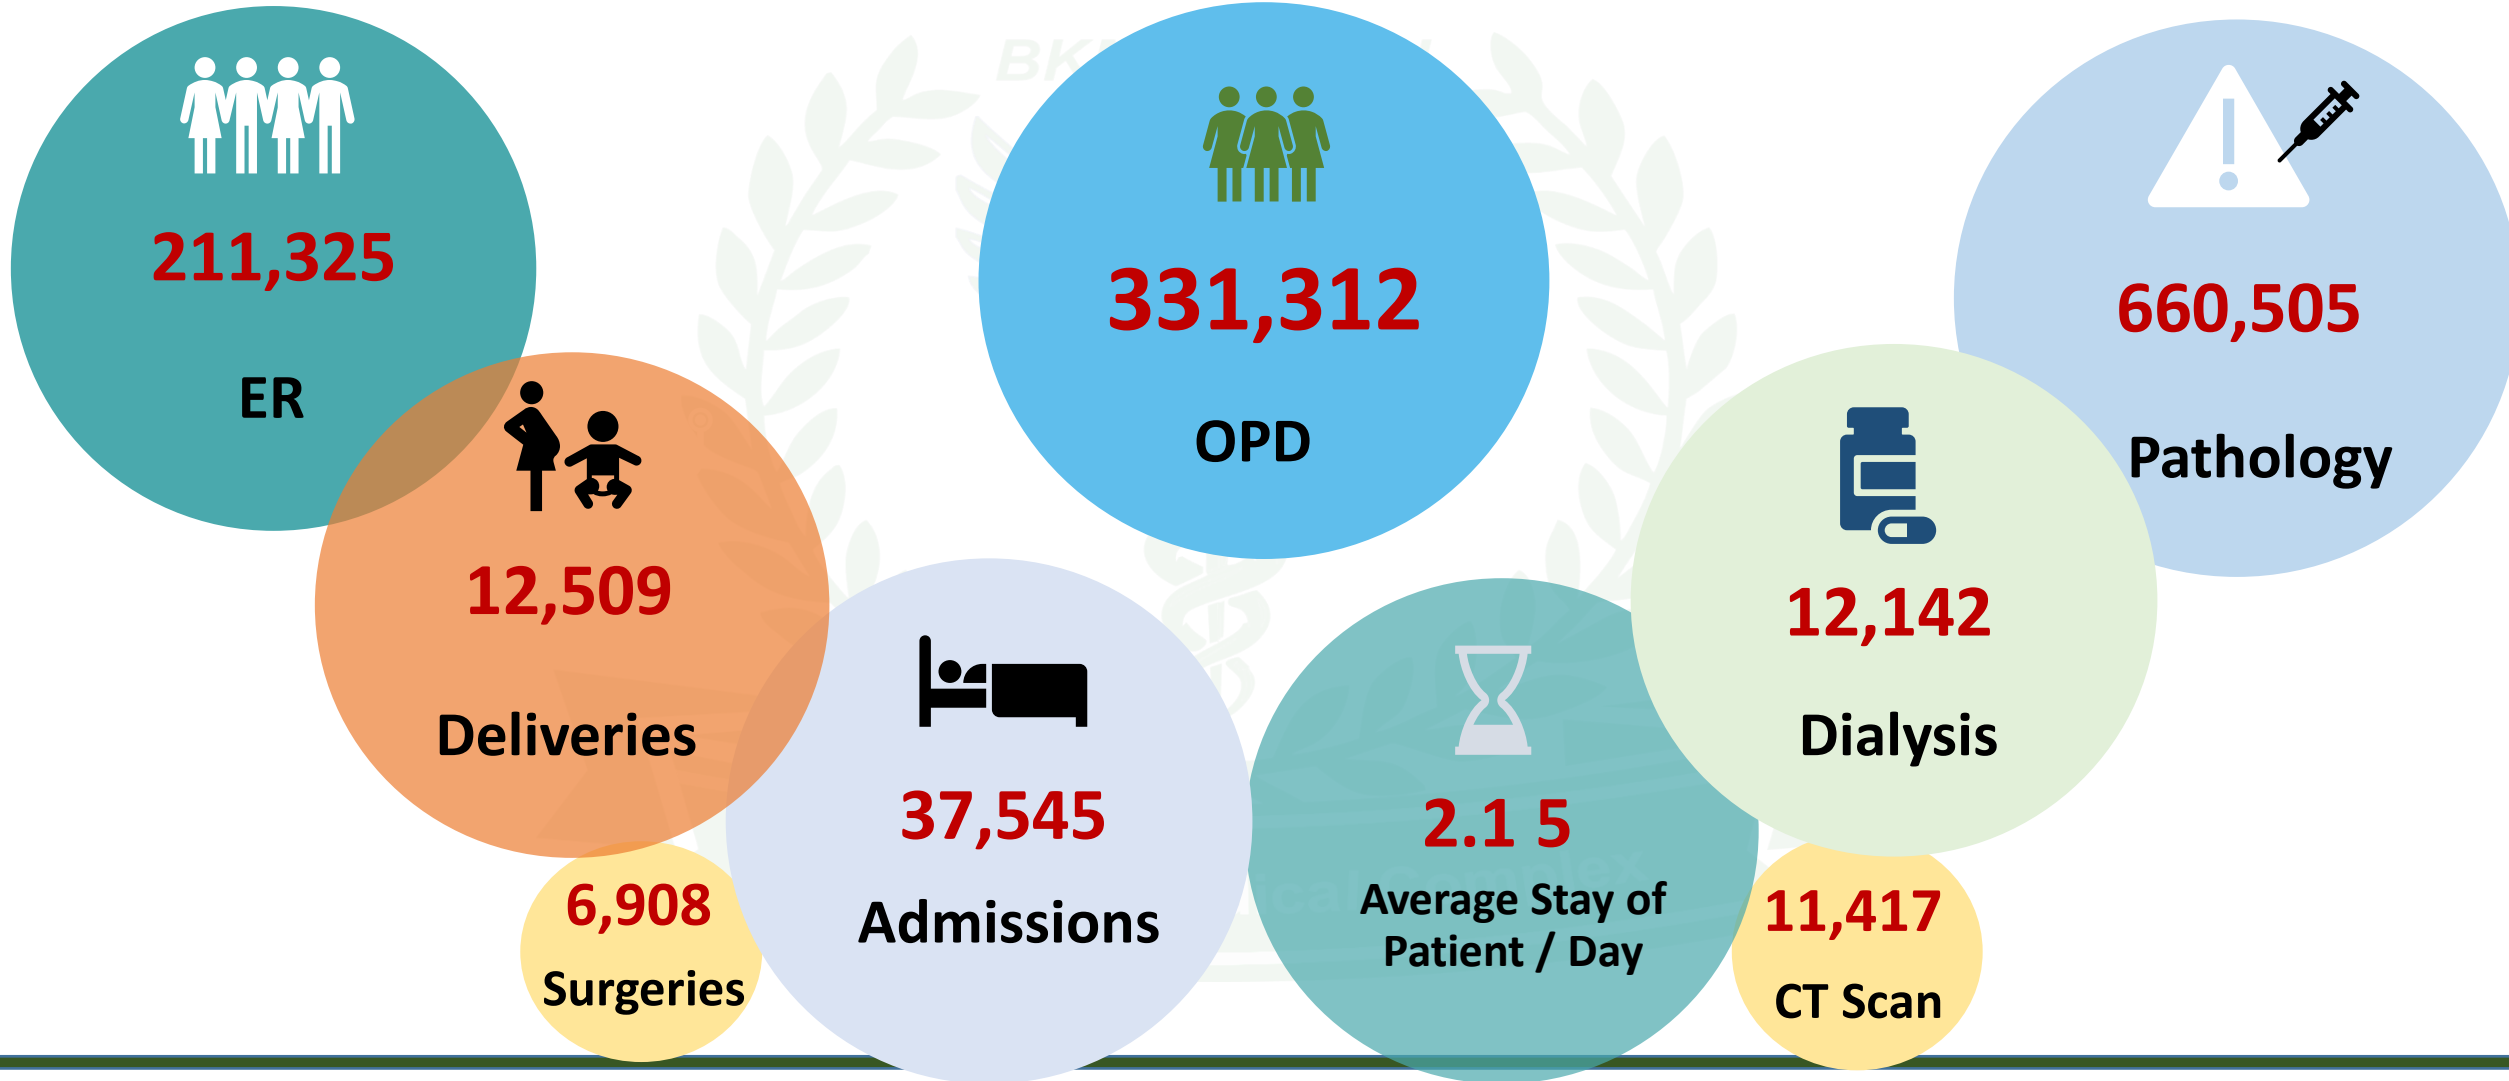

New Departments / Facilities Established, 2022/23

- **Pre-Fab. Filter Clinics, Phlebotomy, Reporting Station**
 - Established at convenient locations for patient facilitation and ease of access.
- **Prefab Departmental Stores (MMD & Pharmacy)**
 - To cater to the increase needs of the hospital, new purpose built prefab stores have been built for material management department and hospital pharmacy.
- **Ward Connecting Corridors & Overhead Water Tank**
 - For ease of access between hospital wings, new corridors have been built. Overhead water tank has been built to ensure proper water supply throughout the hospital and residential complex
- **Parking Sheds and Waiting Areas for Attendants**
 - Parking sheds have been installed for protection of vehicles. Designated areas for attendants provide a convenient location for rest and reduce rush in corridors outside ward entrances.
- **Services outsourced (Security, Porter, Janitorial)**
 - Outsourced services have reduced administrative load and prevents disruption of service due to staff turnover.
- **Repair and Maintenance workshops**
 - Repair and Maintenance workshop enables the facilities department to make necessary repairs to hardware items and infrastructure inhouse at lower cost and with quicker response time
- **Plantation Drive 2023**
 - Plantation drive is regularly conducted for beautification of hospital and improvement of the environment.

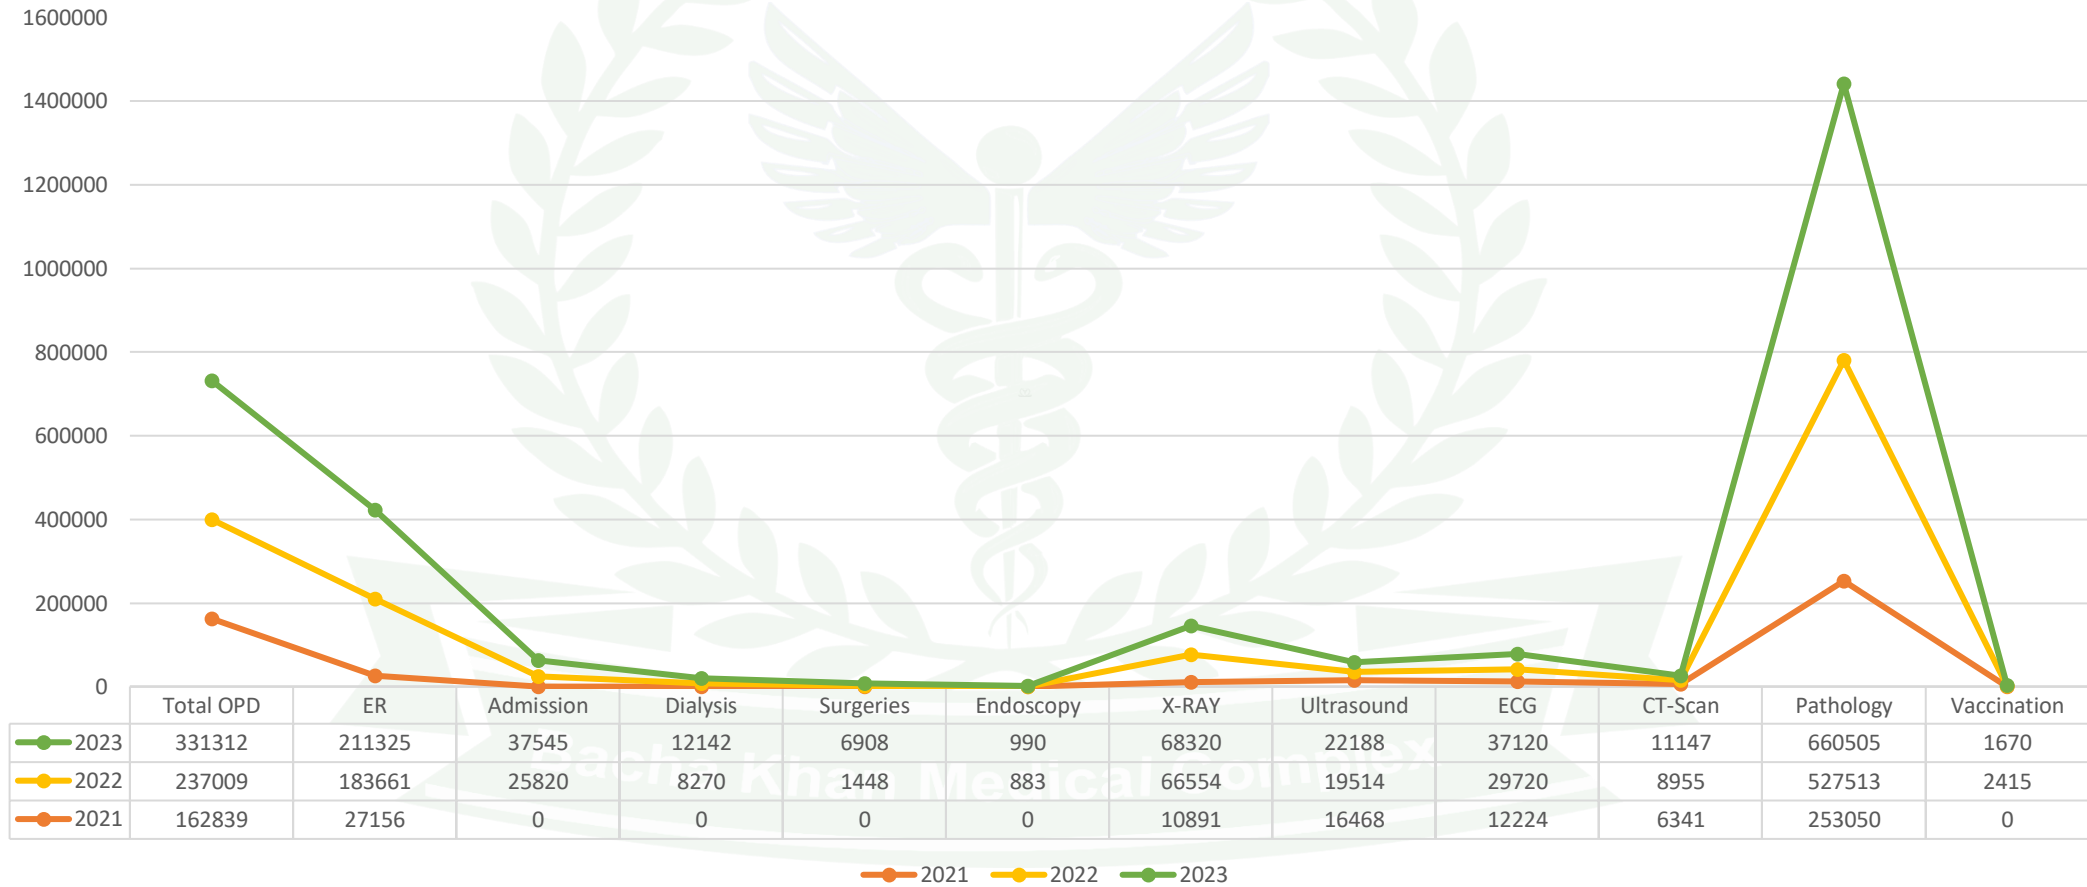

Data Facts - 2023

Statistical Data Facts

2021/2022/2023

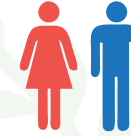

Patient and Employee Satisfaction Surveys

84 %

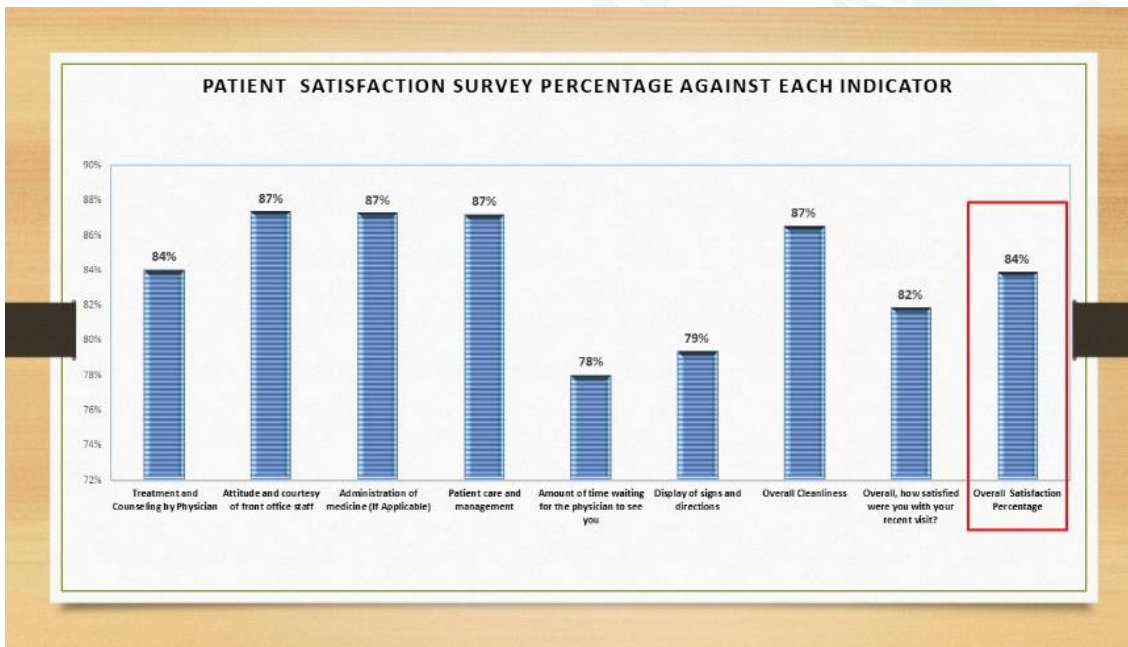

Overall Patient Satisfaction

BKMC SWABI

85 + %

Overall Employee Satisfaction

Patient Satisfaction Survey

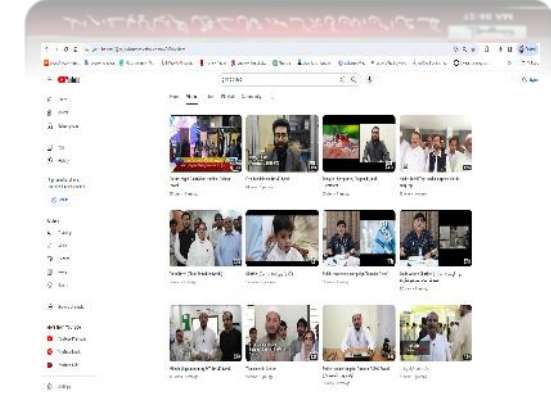

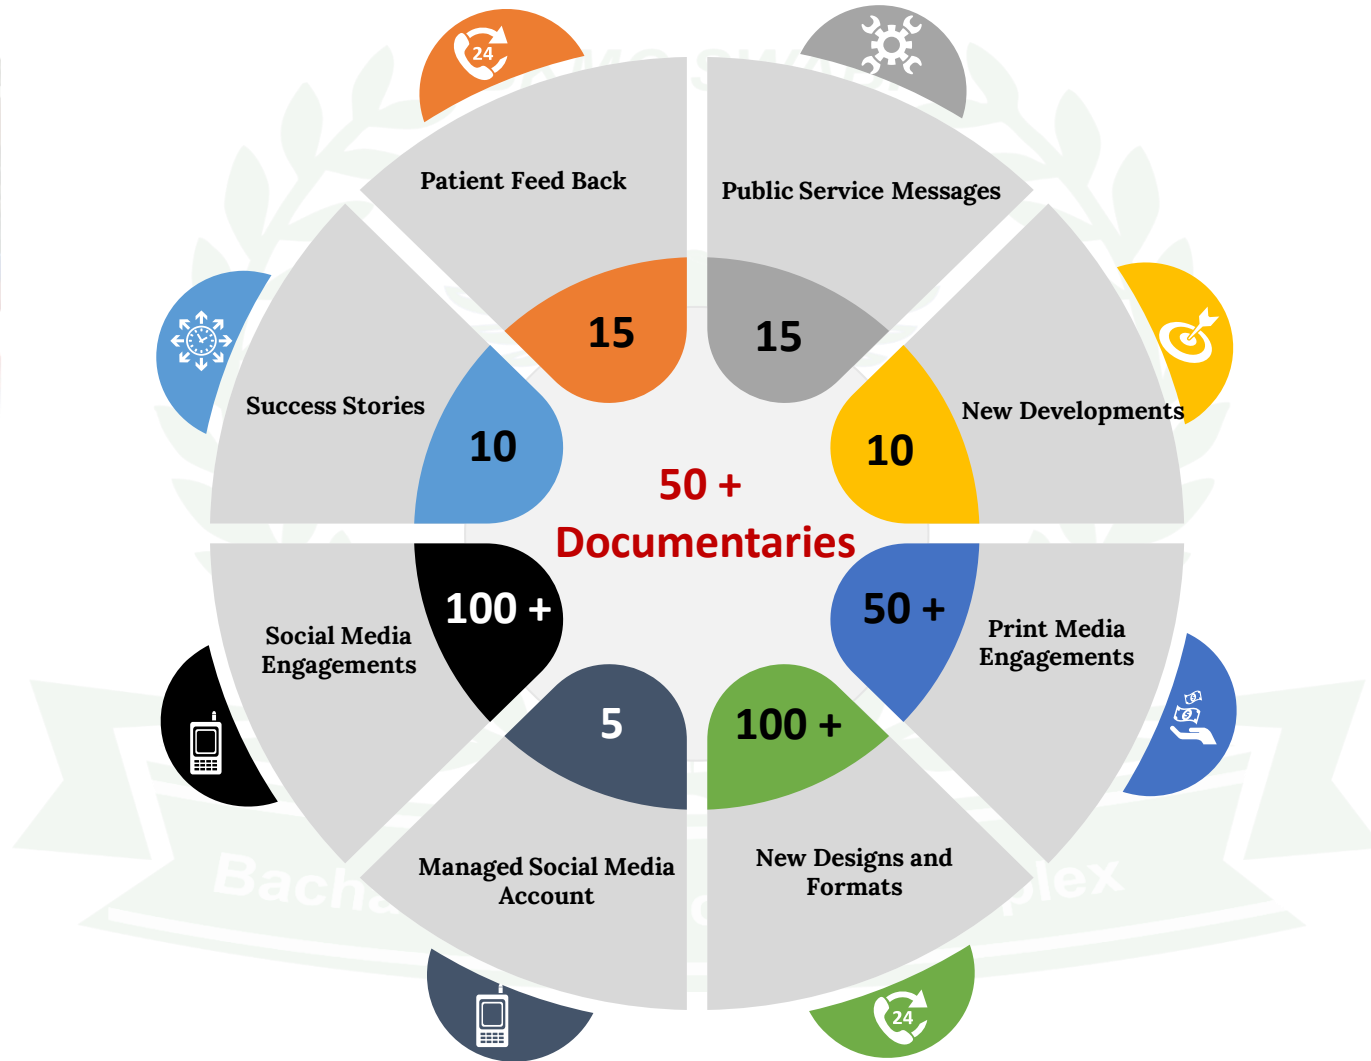

Employee Satisfaction Survey

The Department of Quality Assurance conduct surveys periodically to gauge the level of patient and employee satisfaction. These surveys help the administration in improving quality of services and facilities

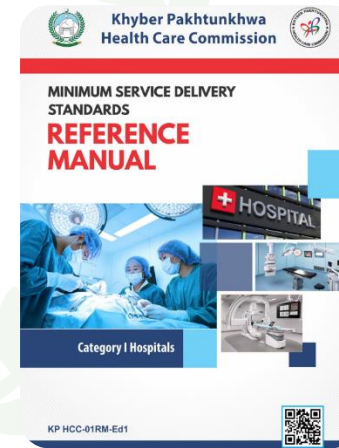

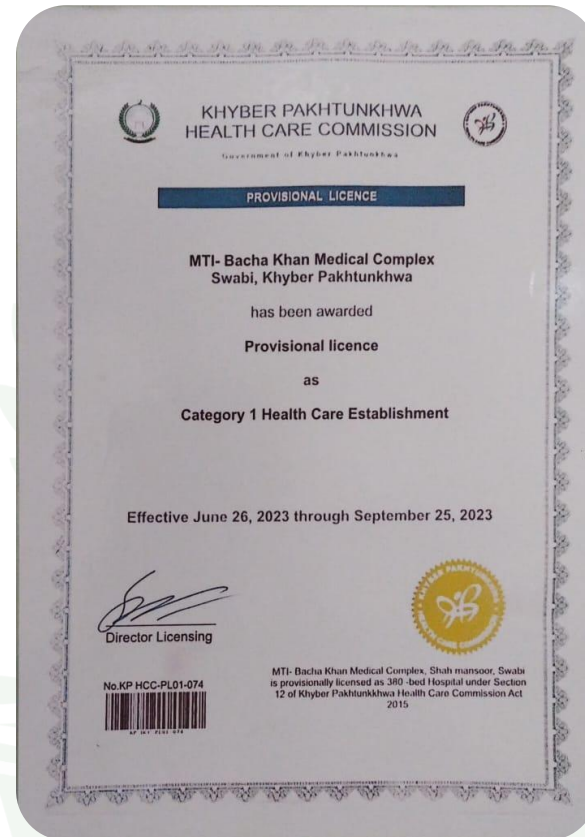

Media & Communication

1st MTI Recognized by HCC

Category – 1 Health Care Establishment

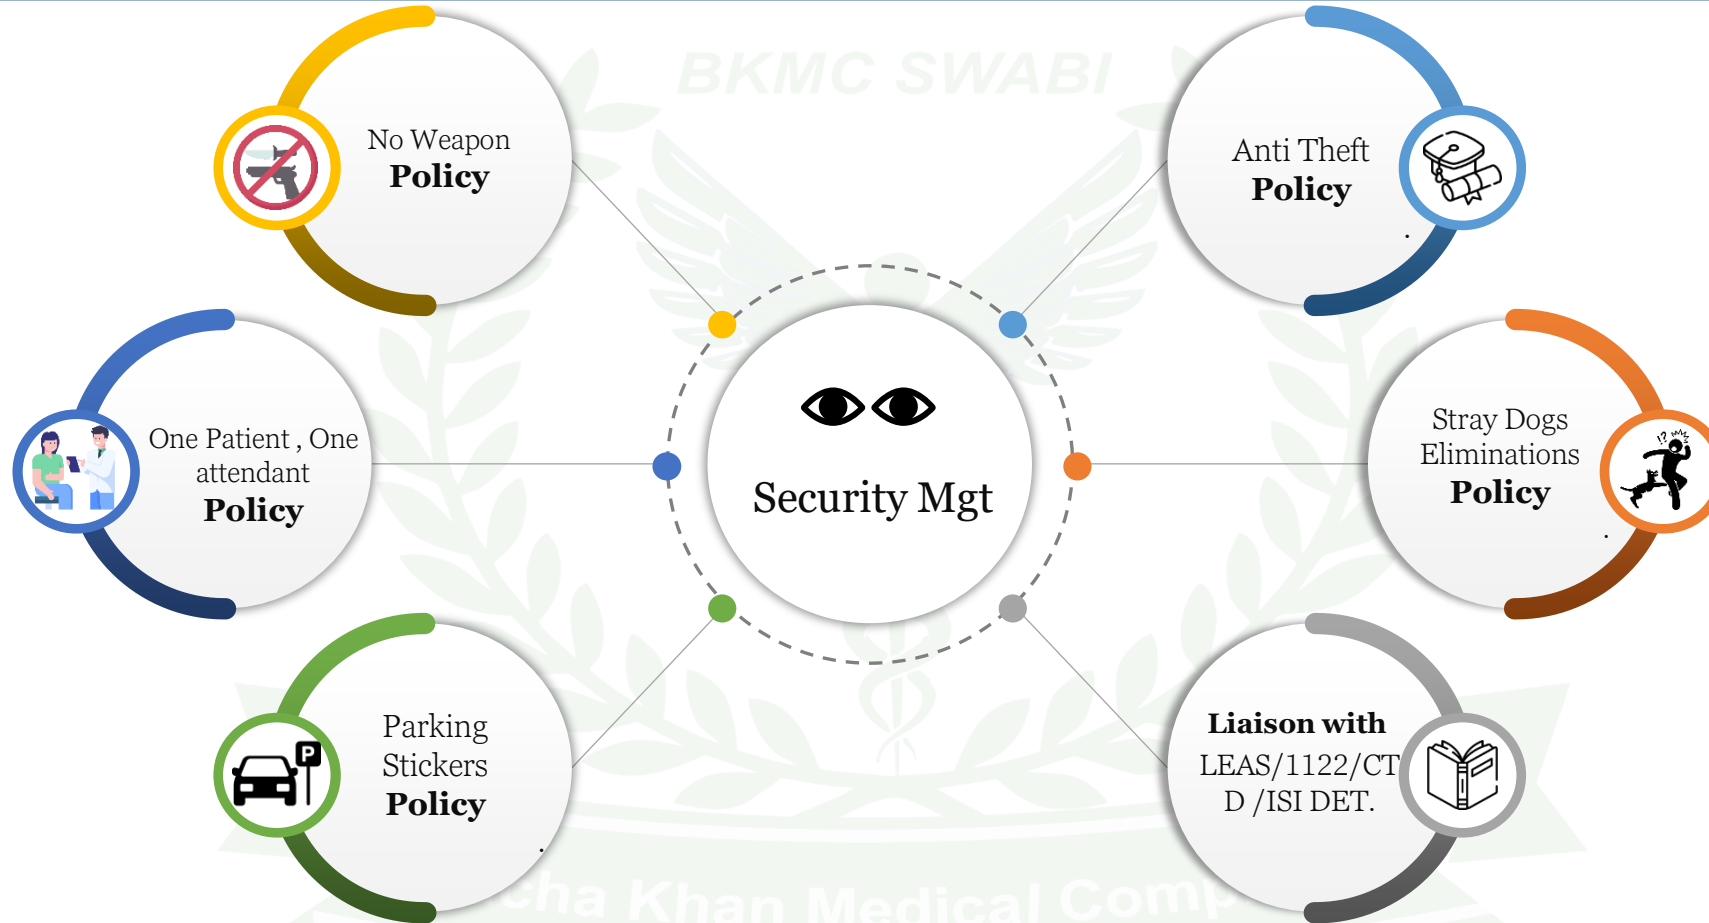

Minimum Service Delivery Standards (MSDS)

The First Public Sector MTI Hospital to Successfully implement Minimum Service Delivery Standards (MSDS) and achieved category 1 healthcare Establishment License.

Security Management

These security policies have been developed by hospital administration for public and staff safety and all security staff is trained and instructed for strict compliance and implementation.

Facility Management

Services outsourced (Security, Porter, Janitorial)

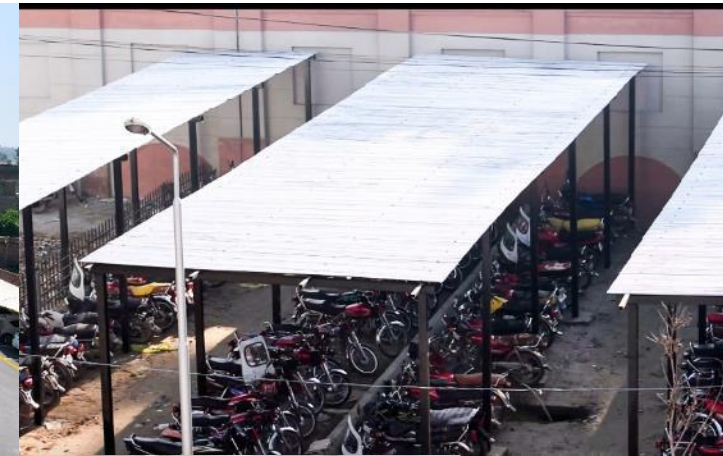

Outsourcing of these services streamlined the service provision and reduced administrative burden of employee turnover management and also prevented disruption of services due to vacant positions etc

Facility Management

Parking Sheds and Attendant Waiting Area

Waiting/rest area for attendants serves dual purpose of public facilitation and avoiding rush outside the wards

Separate parking sheds for motorbikes and cars and Designated parking for staff

Disaster Management Mock Exercises - 2023

BKMC SWABI

MOCK EXERCISE IS AN IMPORTANT ASPECT OF DISASTER MANAGEMENT

RESCUE 1122 SWABI AND SECURITY DEPARTMENT BKMC-MTI CONDUCTED A JOINT TRAINING AND MOCK EXERCISE REGARDING FIRE SAFETY.

Surveillance and Recording

IT Systems and Services

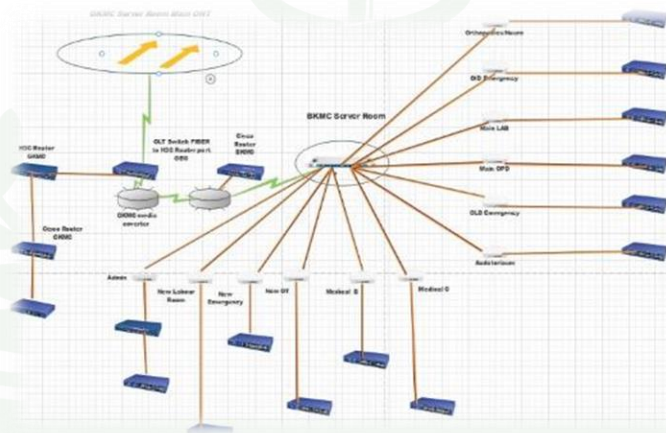

Biometric Attendance System

Patient Registration Cards

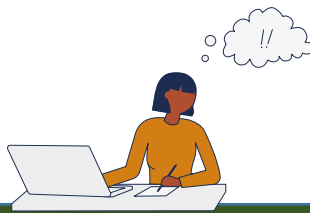

Patient visit and test report record keeping via same MR number,
Quicker issuance of OPD slip,
Accurate identification information of patient

Counters and Administrative offices equipped with Latest Computer Hardware

All departments connected with Optic Fiber

Optic Fiber connectivity ensures reliable and high speed network and internet connectivity

Patient Registration & Online Lab Reporting

تدریسی ہسپتال باچا خان میڈیکل کمپلیکس میں ایک اور سہولت کا آغاز
مریض اب اپنی لیب ٹیسٹ رپورٹ آن لائن دیکھ سکتے ہیں

طریقہ کار

- سب سے پہلے www.lab.bkmcs.edu.pk پر کلک کریں
- USER NAME اور PIN والے خانے میں
- پرچی میں دئے گئے نمبروں کا اندراج کریں
- اندراج کے بعد رپورٹ پر کلک کریں، لیب رپورٹ آپ کے سامنے ہوگا
- آپ اپنی لیب ٹیسٹ رپورٹ محفوظ کر سکتے ہیں اور اسے پرنٹ بھی کر سکتے ہیں۔

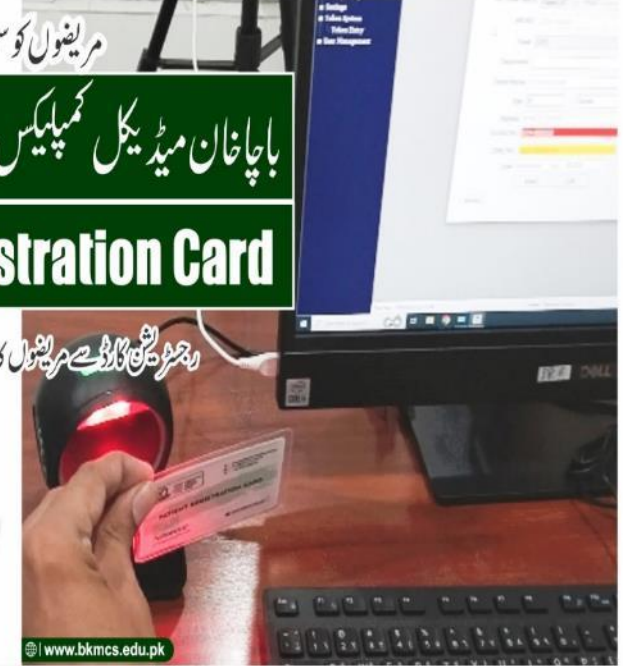

MTI GKMC / BKMCS SWABI | MTIBKMC | @GKMC_BKMC_MTI | www.gkmcs.edu.pk

مریضوں کو سہولیات فراہمی کی طرف ایک اور پیش رفت

باچا خان میڈیکل کمپلیکس میں مریضوں کے لئے

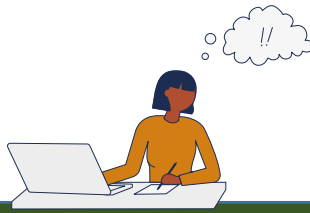

Patient Registration Card کا اجراء

رجسٹریشن کارڈ سے مریضوں کا وقت ضائع نہیں ہوگا اور کلینکل ریکارڈ بھی محفوظ ہوگا۔

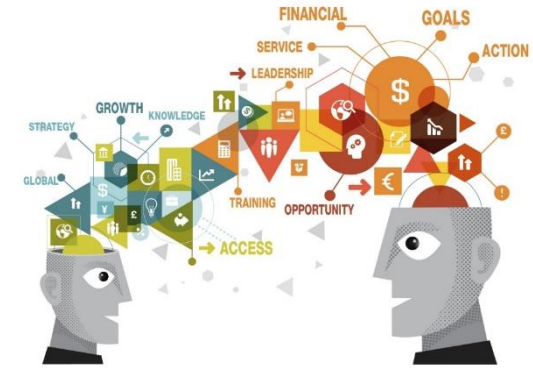

Implementation of LIS and integration with HMIS saves diagnostic test reports for future reference, these reports also available online for ease of access

Accurate identification information of patient along with long term record/diagnostic history and expedited OPD slip issuance

Financial Management

- Developed and Implemented **Asset Management Policy**
- Implemented **Online payroll disbursement** / automation
- Achieved **double entry/Accrual base accounting system**
- Submitted taxes through **FBR portal** and quarterly tax returns
- Implemented **Cost cutting strategies**
- **Channelized receipts** through Bank Of Khyber (BOK)
- Prepared **financial reports**
- **Budget** preparation and rationalization.
- Input to MD/Dean/ND and Hospital Director.

Human Resource Management

Biometric Attendance System

(3218) Leave applications uploaded to BMA)

Payroll Management

Managed and support Finance team for Payroll of GKMC, BKMC & both THQs

Advertisements

Multiple advertisements has floated for various positions.

Employee Personal Files

Prepared and digitized personal files and fulfilled deficiencies.

Orientations

Orientations of new employees and students of various cadres.

EOBI and Emp- Card

Printed cards and facilitated employees for EOBI and Employee registration.

Bacha Khan Medical Complex

Biomedical Engineering Departments

- BME department established and **operationalized BME workshop**
- **New equipment** installed. Repaired faulty equipment's
- Inventory managements ensured and **segregation of equipment's** based on type & make.
- Collected PO, DC, PPM, installation, **service reports** from companies
- Prepared PPM schedule for **warranty & non-warranty equipment** and was followed strictly
- **Equipment were tagged** along with PPM dates & and unique numbers
- Prepared **record of equipment** having warranty and non-warranty period

Out Patient Department - OPD

OPD is operational with 25 specialties, 6 days a week

Filter Clinics

Successfully established with innovative elements like a dedicated phlebotomy counter and the relocation of receipt receptions.

Vital Sign Units

Collaboration with colleges for daily vital sign checks, introducing digital BP machines, scales, and opiates for improved patient care

Patient Prescription

Patient prescription form/slips were modified to include vital sign measurements for comprehensive information.

Registration Card

Introduction of patient registration cards in August, expediting patient facilitation

Material Management

Tender / Quotations

Multiple tenders has been floated as per KPPRA rules

Cost Savings

Implemented cost saving strategies & and conducted regular cost benefit analysis

Compliance/Regulations

Ensured KPPRA Rules and conducted Internal Audits

Inventory Management

Purpose build building constructed. Categorization of items ensured.

Procurement Process and SOPs

SOPs and new formats developed (request for quotation (RFQ) and request for proposals (RFP), MPR etc.

Digital Transformation

HMIS Procurement module is highly recommended. Soon the request will be initiated to proceed further.

Improved Vendor Management

Strengthened relationships with existing vendors, negotiating favorable terms, and ensuring timely deliveries.

Training and Development

Multiple training sessions has conducted with staff on new regulations, technologies and best practices

“World Anesthesia Day Observed” at BKMC-MTI

BKMC-MTI observed "World Anesthesia Day 2023" with the theme, "Anesthesia and cancer care." World Anesthesia Day is observed on October 16 every year. The day strives to raise awareness about the importance of anesthesia in medical treatments.

Activities / Events - 2023

One-Day Basic Life Support Training

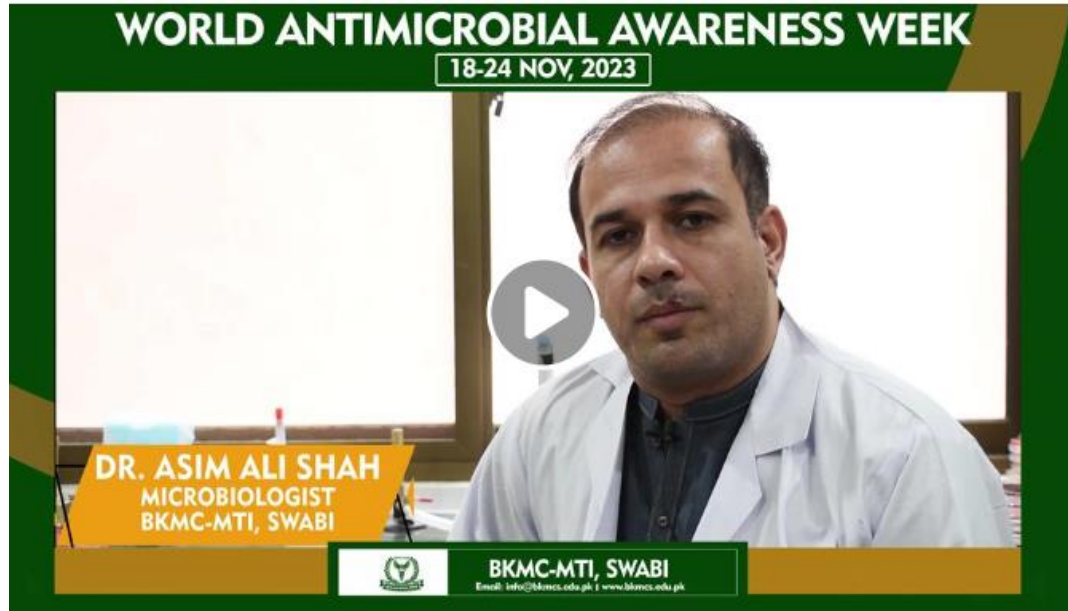

18th Oct 2023

A One-day Basic Life Support (BLS) training program was conducted at BKMC-MTI, organized by the Anesthesia Department. The Anesthesia Department initiated this program, with the specific aim of training the Residents in Medicine and final-year students, in Basic Life Support techniques and training them with Advanced Life Care support.
